

# Become an *In It Together* Health Literacy Trainer

**Help improve communication between health care providers and clients in your community.**

*In It Together: Improving Health Literacy for Black MSM* is a health literacy training initiative for health care providers serving Black/African American gay, bisexual, same gender loving and other men who have sex with men (MSM).

As a trainer, you will help improve the capacity of HIV health care providers to deliver health literate services to Black MSM, and improve health outcomes.

# Become an *In It Together* Health Literacy Trainer

## Selected trainers will:

- Participate in six training-of-trainer sessions
- Provide the 1-hour *In It Together* Community Training to health care professionals in their community
- Receive compensation for delivering the Community Training

## We are looking for people that:

- Have prior experience training health professionals
- Are comfortable talking about HIV, sexuality, the culture and experiences of Black men, social determinants of health, and stigma
- Have great relationships with health care organizations in their community
- Want to build their own capacity to deliver health literate care services
- Live in selected communities of focus (see application for more details)
